This tour is specially put together in collaboration with Skeleton Coast Adventure Tours

About the Tour:

- **Highlights: Coastal Scenery, Dune Driving, Exclusive Angling & Camping at Kunene, Bosluisbaai Camp.**
- **Our Skeleton Coast Fishing tour is very relaxed - we spend less time navigating the desert and more time at leisure at the Kunene Camp and the surrounding area.**
- **It is our best option for the serious fishing enthusiast as the camp is located on one of the best fishing spots on the Namibian coast.**
- **We angle strictly according to the concession rules and offer an amazing catch and release opportunity to hook some of the best specimen of Atlantic fish species.**
- **For the 4x4 enthusiast we do still have plenty of opportunity to test grit and brawn with some serious dune driving areas near our camp location.**
- **The Skeleton Coast Fishing option is the most versatile and flexible tour option we have, and guest groups can tailormade their program as they see fit and according to their personal interest, also perfect for corporate getaways that can offer many options to our guest.**
- **Guests have to arrange and pay their own accommodation at Terrace Bay for the nights before and after the tour.**
- **Day 1 & 7 we will navigate the coastal route (10 to 12 hours) with some challenging paths and various places of interest til we reach Camp.**
- **The remainder of the days we spend in leisure at the camp and guests can choose from angling and dune driving. Or, simply just soak up the sun while relaxing with a good book at camp/beach.**
- **After an exciting fishing and relaxed days, we like to spoil our guest with fresh fish or our Coast2Coast speciality dinners prepared by our cooks.**
- **In the afternoons we enjoy sundowners as we welcome the cool desert night and get cozy around the camp fire, recapping the fishing stories and cherish new friendships.**
- **Every night we will confirm the following day's activities according to the group dynamics and requests we receive from guests.**
- **The last day is a constant drive to reach Terrace Bay by early afternoon. This tour is perfect for the family and much more suited to cater for both the fairer sex and youngsters.**
